# Stage

CONTRASTS

Innovative light-solutions by BENITO for ambience and function. The headboard and the wardrobe are offered with adjustable LED-lighting. The lighting is remotely controlled.

Remotely controlled dimmable LED-light from cold light over natural light to warm light.

# High ON FUNCTIONS

Books, bags, decoration. Whatever is supposed to find their place in the bedroom – BENITO offers a suitable storage solution. Additional comforts are offered, such as bookend-lights, wall-mirrors, remote control for the LED-lighting, drawer-applications for jewellery and many other useful functions.

Big panel with drawer or small panel with door. Available with shelf extension.

Soft rounded edges for harmony in the bedroom, so no one bumps into corners. The combination of white and anthracite lacquer with oak or walnut veneer set off the wood grain nicely. Matching in colour: The headboard with comfortable upholstery made of faux leather. The hinged-door cabinet provides sophisticated accommodation for all garments.

ClassicLine opens up a wide range of design possibilities. The white and anthracite finishes combined with plain, handle-less fronts blend in smoothly with the room architecture.

The ClassicLine wardrobes can also fit into difficult room situations as in alcoves and sloped ceiling. We provide you with complete furnishings.

The chests of drawers complement each other perfectly at different heights, they provide space for storage and are an absolute highlight.

## DAY AND NIGHT A DREAM

## WARDROBE TYPES

There are 7 possible widths for wardrobes:

100 cm, 150 cm, 200 cm, 250 cm, 300 cm, 350 cm and 400 cm.

Frosted glass accents may have different colours than highgloss doorfronts.

# MOBILE AND MORE – ADDITIONAL FURNITURE IN PERFECTION

Make-up and beside tables can be fitted out with a Qi-charging point. Every door has a soft close hinge, the drawers are with full extension. LED-lighting, if chosen, replaces the chrome accent.

# ONE BED, SEVERAL FEATURES

The bed can be outfitted either with attached beside tables or stand-alones - just as you like. The bed-drawer provides additional storage space if needed.

ELEGANT BRILLIANCE. PURE LUXURY.

MOMENTS  
SCHLAFEN

Glass in obvious but also unexpected and even statically relevant places. For example, you can opt to place the beds on a shiny glass plinth which gives them the appearance of floating. The hinged-door wardrobes are not only convincing as endless wardrobe systems during the day but also at night. They wear shimmering belly-binds, shelf unit with light accents or are decorated with illuminated glass cubiods.

The floating door wardrobe with simple glass belly-bind or mirrored-glass doors, is available in 5 standard widths, height 232,5 cm. Passepartout sides of glass are available with LED lighting white or with colour changer.

The perfect balance of soft materials such as upholstery, matt finishes such as lacquer and shimmering glass accents preserve for LEONARDO sleeping MOMENTS the cosiness of the intimate sleeping area. Every solitary piece of furniture comes to full attention in the uncomplicated combination of floating door or hinged-door wardrobe, bed with upholstery headboard and free-standing or integrated bedside tables.

## CHESTS

A versatile range of chests of drawers – likewise with glass on the front, glass covers and lighted glass rear panels on request – complements the LEONARDO living range. Detailed, different drawer inserts for chests of drawers, from powder-coated steel in anthracite ensure optimal housing your watches, necklaces etc. We recommend to use the felt mat with the drawer insert.

## EMOTIONAL BY NIGHT

LIVING

SHINE  
SCHLAFEN

The comfortable bed with soft cushioning elements on the headboard invites you to relax and dream. The optional lighting with color changer gives the bed additional shine, which can easily be repeated with the sliding door cabinet. The ambient lighting on the base is available in the 4 standard widths of the cabinet.

LEONARDO living SHINE offers a solution for small bedrooms. The bed with 140 cm width as well as the wardrobe-width of 200 cm create ideal sleeping and storage space for singles or guest rooms.

# PLAY WITH GLASS AND LIGHT

LIVING<sup>®</sup>

SHINE  
SCHLAFEN

Changing materials between lacquer, chrome and glass gives the hinged door cabinet the distinctive LEONARDO living look. The optional lighting on the bed, which is passed on to the free-standing bedsides, makes the bed appear to float.

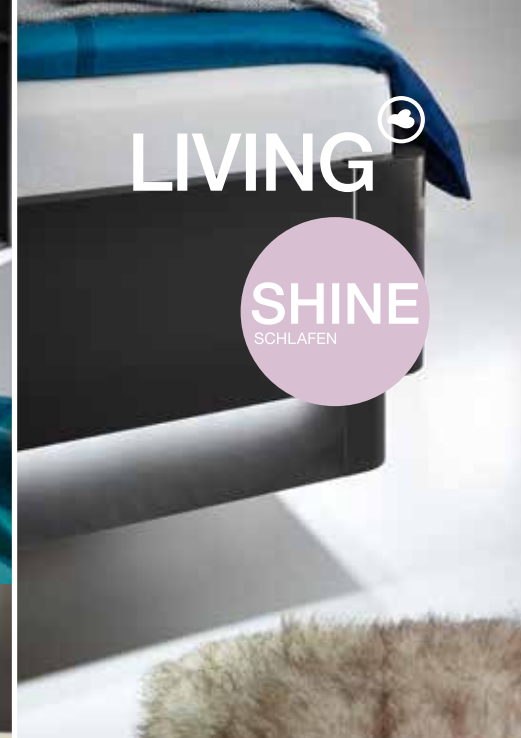

Accessory furniture with its own character - optionally with lighting in the drawer area - offer additional storage space and complement the whole program. Whether it is a chest of drawers, a hinged chest or small or large combinations of both. It's your choice!

The attention to detail can be seen in countless places of the product: the hand-made cross-stitch seam on the upholstery, the innovative side table as a bedside solution, the lighting on the chrome-trimmed chests or the optional wardrobe handle with lighting are some examples of this elaborately designed bedroom program LEONARDO living SHINE.
